

BBQ Roster June -September 2008

The sizzle is a major fundraiser for our Club and requires several volunteers each market day to ensure it runs efficiently. If you are unable to do your shift please swap with another Club member or endeavour to find a substitute. Please do not leave the BBQ crew short staffed. If all else fails, contact the BBQ coordinator, Bill Powell 0429 184066 so a replacement can be found. In October the Nippers parents will take over BBQ duties.
